

r			ion 305/2						
	the construction product		Extruded alum	inium sections					
1.	Unique identification co type:	de of the product	EN AW-6063 T5 / EN 755-9						
2.	Type, batch or serial number or any other element allowing identification of the construction product in compliance with Article 11 (4):		Extruded section according to EN 15088:2005 / EN AW-6063 T5 accordin					g to EN 755-9	
3.	Use(s) of the constructi by the manufacturer in applicable harmonised t	compliance with the	Indoor and outdoor areas of load-bearing structures						
4.	Name, registered trade trade mark and contact facturer in compliance	name or registered address of the manu-	Neuman Aluminium Strangpresswerk GmbH Werkstrasse 1; A-3182 Marktl im Traisental Tel.: +43 (0) 2762/500-0; fax: +43 (0) 2762/500-470 E-mail: profile@neuman.at						
5.	Name and contact addr representative commiss under Article 12 (2), if a	sioned with the tasks	Not appointed						
6.	System(s) for assessme constancy of performan product in compliance v	ent and verification of ice of the construction	System 2+						
7.	If the declaration of performance concerns a construction product that is covered by a harmonised standard:	The notified body (Ka manufacturing plant a evaluation of factory p	rlsruhe Institute of Technology no. 0769) performed the initial inspection of the nd of factory production control, as well as continuous surveillance, assessment and production control in compliance with System 2+ and issue certificate 0769-CPD-132085 of the factory production control with the requirements set out in Annex ZA of EN						
8.	If the declaration of per construction product for Technical Assessment v	r which a European	ance concerns a th a European Not applicable
